

Leica Geosystems Service Centre Authorisation

Leica Geosystems AG, Heerbrugg (Switzerland) confirms, that the service centre of

Boels Survey & Laser Andelst, Netherlands

is authorised to perform maintenance and repair work on products of Leica Geosystems AG.

The service centre is authorised to issue calibration certificates in accordance with our highly approved standards.

This authorisation is based on a successful audit of the service centre performed by Leica Geosystems AG based on the following principles:

- Technical service staff has successfully passed Leica Geosystems' product specific service training
- Leica Geosystems' product specific work instructions are strictly observed
- Only Leica Geosystems' original spare parts may be used
- Only Leica Geosystems' product specific tools, jigs and installations may be used

This authorisation is valid until 01st October 2027 *

Leica Geosystems AG
